

HIKVISION. HOW TO DOWNLOAD.

Follow these steps to know how to download a video in HikVision.

- Click in configuration, click in local configuration, and in “Save download files to”: choose the folder you want to download the files to.

- In playback, click on the date and time, and click on the arrow icon.
- Select which time and date and click in download.
- If you want to see more dates, you'll have to enlarge the window.

- Same thing in blue technology.

The screenshot shows a web browser window displaying a DVR interface. A modal window is open, showing a table of files. A green arrow points to the 'Download' button at the bottom right of the table.
