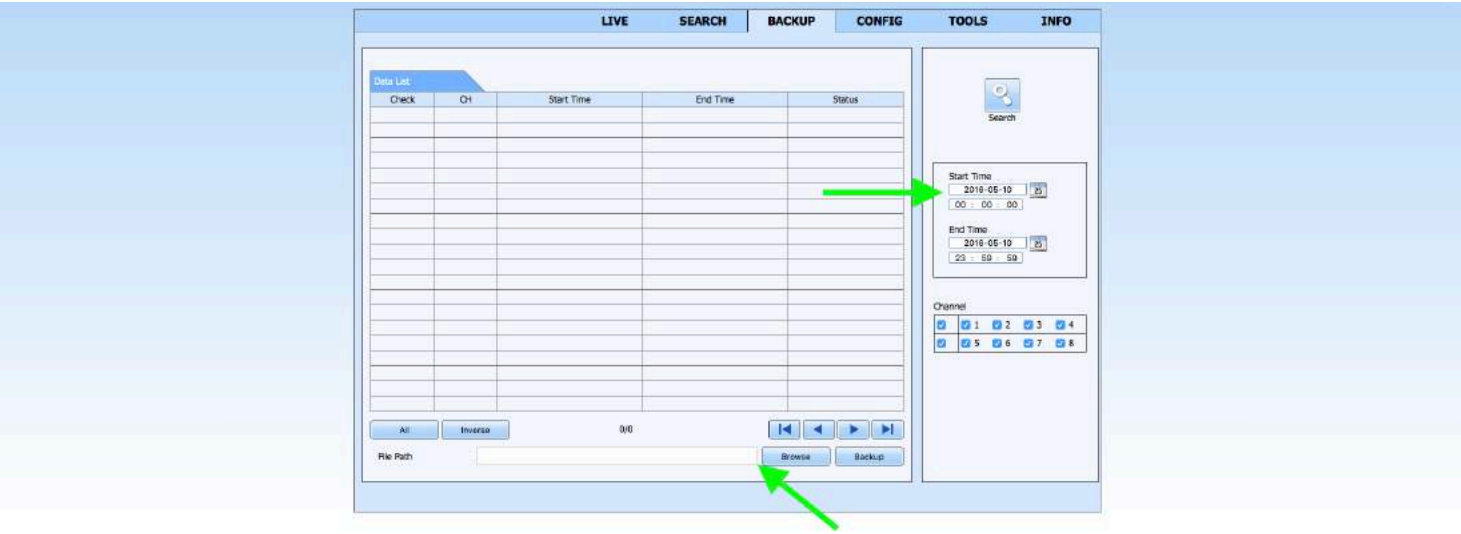
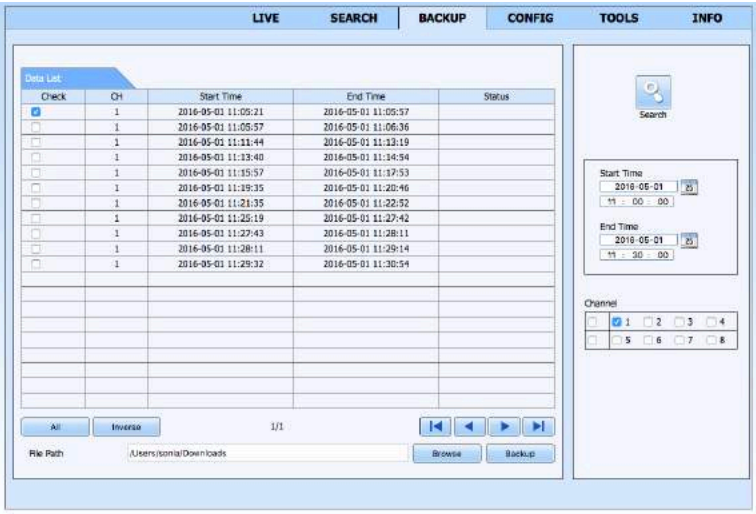
SUPER LIVE PRO HOW TO BACKUP

Follow these steps to know how to backup your cameras with SuperLivePro.

1. Enter to your browser. It will only work on: Safari, Firefox or Internet Explorer.
2. In address bar type your IP address and HTTP port information and hit enter.
3. Put the Username and Password given by your tech team.

- Click in backup. Select the File Path (that's where the files are going to be saved).
- Then select the date and hour. And select the channels.





- Select the cameras and click in Backup.
